

SAMPLE DOCUMENT FOR EMAIL TESTING

Company Name: Acme Corporation

Document Type: Business Letter

Date: November 1, 2025

Dear Customer,

This is a sample PDF document used for testing email attachments in the SMTP relay system.

Key Features:

- Simple text content
- Easy to read format
- Generic business document
- Suitable for testing purposes

Technical Details:

- **Format:** PDF
- **Purpose:** Email attachment testing
- **Size:** Small file for quick transfers
- **Content:** Generic business information

This document can be attached to test emails to verify that the SMTP relay correctly handles file attachments when forwarding messages through the Microsoft Graph API.
